The Mura; beset by buffaloes, plagued by potash. For several years now, the Mura people of Brazil's Amazonas state have sought to assert their claim to their ancestral lands. To their frustration, it has been much easier for cattle herders and a potash mine to occupy and control those lands than it has been for them to have their rights respected. Development and Peace's partner, the Indigenous Missionary Council (CIMI), helps them advocate for, defend and publicize their cause more effectively. "On behalf of the Mura in my region, I want to thank Canadians. We are very happy to have your support. It helps us in our struggle to have our rights and our land respected." — *Jeremias Oliveira, representative of the Mura community, Brazil.* Watch the Mura's testimony at devp.org/campaign/mura.

Gospel Reflection: Third Sunday of Lent Weekend of March 14/15.

2020 Jesus' longest-recorded conversation with anyone is the one he has with the Samaritan woman at the well. She discovers she can be honest with Jesus and goes and tells others about him. She gives witness. She's not the most certain, thorough or even convincing witness. But her witness is enough. It is inviting, humble, non-judgmental and sincere. What is the quality of our witness? How do our words and actions give daily testimony on behalf of Christ? During this season of Lent, how might we do a better job at proclaiming the risen Lord in word and deed? ICS March E-Bulletin.
