Meet Yesica: a voice that reverberates from the Amazon to the Synod Yesica Patiachi Tayori of the Peru's Harakbut Indigenous community was invited to the Synod of Bishops

for the Pan-Amazon Region in October 2019. She said, "We, the Indigenous peoples, have been, are and will always be the guardians of the forest. But caring for our common home is everyone's responsibility, not just that of Indigenous peoples." **Development and Peace's partner, the Amazonian Centre for Anthropology and Practical Application (CAAAP),** helps the Indigenous peoples of the Amazon ensure that their rights and territories are respected. On this International Women's Day, let us salute the courage of women like Yesica, who bravely lead the defence of the land, water and people. **Watch Yesica's testimony at devp.org/campaign/yesica.**

Second Sunday of Lent Weekend of March 7/8, 2020.

In today's second reading, Timothy is issued a strong directive: "Bear your share of hardship for the gospel with the strength that comes from God." For the early Christians this could mean torture and execution. For most Christians today enduring hardship for the Gospel might include accepting ridicule or mockery, or the suggestion that we lack sophistication. Nevertheless, in his letters, Saint Paul is adamant that we should not be ashamed of being followers of Christ. Good stewards are not ashamed of their allegiance to Christ. They do not hide their faith. Reflect on this question: Are you willing to speak about following Christ Jesus no matter who your listeners happen to be?
